### Academy Membership Policies

Classes must be signed up for in advance. Drop-ins or registrations less than 72 hours in advance are allowed only with the approval of Frozen Ropes management. Approval will be granted if space is available in the class.

#### **Cancellation policy for all classes:**

Academy members must notify Frozen Ropes before Noon if they will be missing class on any given day. If notification is not given by that time, a \$10 fee will be charged to your account for any missed class.

#### **Monthly Charges:**

Monthly membership dues will be automatically billed to your credit card each month based on the date of initial enrollment. Memberships must be cancelled at least 72 hours prior to the renewal date.

#### **Unlimited Facility Use Regulations:**

Machines, mounds, and tunnels are available by drop-in only; reservations are not accepted. Though we will always do our best to accommodate, there is no guarantee that space will be available for Academy members use at all times. Individuals may be asked to share space with other Academy members when necessary, and members may need to vacate space for incoming rentals.

By signing this form I fully understand the terms and conditions set by this agreement.
