"Frozen Ropes has the ability to develop a player's skills both mentally and physically. Their quality instructors prepare players for the next level. As a former Frozen Ropes participant, I strongly recommend it."

**Sam Militello**,  
Former NY Yankee Pitcher  
Assistant Baseball Coach  
University of Tampa

"As recruiting coordinator and assistant baseball coach for Fordham University, Frozen Ropes Training Center has served as a major tool in our recruiting program. Their college marketing and indoor showcase provide us with the opportunity to evaluate High School athletes during the winter season."

**Anthony Mellaci**, Assistant Coach  
Fordham University

"The Frozen Ropes Training Center is unquestionably the most progressive teaching "laboratory" baseball has ever seen. In the 26 years I have written about baseball and the ingenious concept coaches use to better their athletes, nobody has been more progressive than Frozen Ropes. They are the soul of baseball's future."
