

Strong Body, Strong Mind

Strength and Wellness for the World!

We have a class for every level of athlete.

Rock Fit Jr. This class is for athletes 7-12. It is a strength and conditioning class geared toward improving overall fitness.

Rock Fit Sr. This class is for athletes 13 and up. It is a strength and conditioning class geared toward improving overall fitness.

Rock Fit Speed This class is for athletes of all ages. It is a speed class for those looking to improve their linear speed, multi-directional speed, and explosiveness.

Rock Fit Adult This class is for adults of all fitness levels. It is always 'go at your own pace', so it's for everyone. The class will consist of strength and conditioning to help you get into great shape.

Rock Fit Body This class is for athletes 13 and up that uses your body as your weight. Rock Fit Body will increase core strength, flexibility, and strength all while helping to injury-proof your body.

Rock Fit Power Hour This class is for athletes 13 and up. Learn the basics of power lifting to improve overall power and strength levels.

Rock Fit Combo This class is a combination of strength, conditioning, and speed. This class is approximately 90 minutes long.

All classes will be approximately 50-60 minutes (except for combo).
