

## 2018 Winter/Spring League Partnership Program at Frozen Ropes

Enroll your League today and give your players and coaches  
the opportunity to improve all year long!

### Here's how it works:

- The cost to the league is \$10/player. We recommend this amount be added to your players' registration fee to offset the cost to the league.
- All players in your League are given a \$10 League Member card to be used for any rental, lesson, class, clinic or camp at Frozen Ropes, valid for the Entire Spring Season from the date it is issued.
- Once the card has been used once, it will be hole punched. Now the card is good for 10% off all our programs for the Spring Season.

### What your league gets:

- 1 Pre Season Coaches Clinic – Late January/Early February
- 2 On Field Clinics – Covering fundamentals of Hitting, Fielding, Throwing, Baserunning, Catching
- 4 Indoor Clinics at Frozen Ropes – Covering either Hitting or Pitching (\$10 per player)
- 4 Free Hit Sundays – Your whole league can hit for free on 1 Sunday a month during the Spring Season (Feb – May) from 12:00 – 3:00pm
- All managers and coaches in your League also receive free access to our on-line Coaches Video Library at [www.frozenropes.com](http://www.frozenropes.com) ; over 8 hours of video footage to help improve their coaching skills!

Frozen Ropes donates **\$250** to become a Sponsor  
& receives the following from the League:

- Six times per year, the League will send, via email, our Schedule of Upcoming Events to all players and coaches. We will prepare the email and have your designated League Rep forward the message to all League contacts.
- Frozen Ropes is listed on your League website's home page as a Sponsor with a hyperlink to our website.
- Frozen Ropes will be invited to your Opening and Closing ceremonies.
- Frozen Ropes banner at your Fields
